Hello, my name is */last name and first name/* and I represent the Caucasus Research Resource Centers, a non-profit independent research center which is a program of the Eurasia Foundation in Georgia. We are conducting a survey about Volunteerism and civic participation and would like to ask some questions. Your household has been selected randomly, along with a couple thousand other households in Georgia. Reliability of the survey results depends on your agreement to participate in the survey.

Let's talk about your household. By "household" we mean people presently living with you most of the time, regardless of their legal place of residence, and who share income and expenses. I would like to ask you to tell me only about the members who currently live with you.

V9. Tell me please, according to the definition provided, how many people, including you, are there in your household? [HHSIZE]

[INTERVIEWER! WRITE DOWN THE NUMBER.]
